Dear UW-Stout Alumni:

Universities like UW-Stout will play an increasingly important role in the 21st century by providing and educating the populace to serve the many needs of American society. In many ways, we were shaped by two historic events of epic proportion—the Morrill Acts of 1862 and 1890, and the GI Bill signed into law in 1944. For the first time in the history of any nation, postsecondary education was available to those who previously were denied access or never thought about the possibility of going to a college or university. After 1945, state universities were flooded with returning veterans, adding a new, vibrant entrepreneurial spirit to America. This had a profound impact on this country, creating a dynamic middle class society.

This social compact was premised on two simple assumptions: access to higher education for all who qualified, and, its affordable cost. This compact is being slowly destroyed as states throughout the nation, including Wisconsin, reduce state support. This is why our alums are more important today than ever. Virtually every graduate I meet agrees that UW-Stout changed their life in a fundamental way, providing the foundation for the success they now enjoy. Your financial support is our margin of excellence, providing scholarships for those who find higher tuition rates more burdensome, establishing professorships, and creating grant opportunities for our talented faculty and staff.

UW-Stout is recognized internationally for winning the prestigious Malcolm Baldrige National Quality Award, and our strong, focused programs graduate women and men highly sought after by the private sector. Our many innovations, such as the digital campus initiative, reflect a simple fact: ***We Are the School of Choice for the Twenty-First Century.***

I hope that you are as proud of being a graduate as I am of serving you as chancellor of this fine institution.

Sincerely,

Charles W. Sorensen
Chancellor

Dear Alumni:

As president of the UW-Stout Alumni Association, it is my pleasure to represent the alumni of this outstanding institution.

This Stout Alumni Directory represents the membership of a dynamic and select group of individuals—the Stout Alumni Association. It also represents an exciting network of well over 51,000 alums from all parts of the world! You, as a UW-Stout graduate, are a very valued and important part of this network. This directory has been revised and updated with you in mind, to assist you in maintaining contact with friends, former classmates and associates, and the expanding network of alumni regardless of your geographic location.

As you keep in touch with other alumni, please remember to keep in touch with the Stout Alumni Association office as well. If you find yourself in the Menomonie area, stop by the alumni office. Plan on returning for Homecoming or your class reunion. Join us at regional conferences and gatherings held throughout the country. Call with suggestions and read our alumni publications!

Wherever you are, whatever you are doing—we hope you will keep in touch with the Alumni Association so we can keep you in touch with Stout!

Sincerely,

Susan Roman, President

Robert Swanson, William Micheels and Charles Sorensen

The Stout University Foundation was established in 1963 under the auspices of Dr. William J. Micheels, president of Stout State University at that time. President Micheels recognized the importance of having flexible dollars for special university initiatives. He was a true visionary who realized state budgets would not be able to continue to underwrite all of the state's university programs.

Dr. Robert Swanson followed President Micheels as chancellor, and he had the foresight to appoint both the alumni and foundation directors.

Dr. Charles Sorensen assumed the duties of the UW-Stout campus in 1989. During his tenure the endowment has tripled. Donors have generously provided for endowed chairs and professorships, contributed to 400 scholarships that provide $500,000 in awards annually, and infused classrooms with equipment, besides funding other educational programs. A 40-member Foundation Board of Directors oversees all of the campaign and annual fundraising.

Currently, Steve VandeBerg '75 serves as president of the Stout University Foundation, Dan Hampton '71 as vice president, Robert Guertler as treasurer, and Donna Albrecht BS '68, MS '69 as secretary.

Ways of Giving

Annual Support

The Alumni, Friends, and Parent Phonathon, Reunion Giving, and the year-end appeal allow individuals to support our talented students and provide for special programs that enhance the educational environment at UW-Stout.

Employer Matching Gifts

Your employer may be among the 1,000-plus companies that offer matching gift programs. A matching gift will multiply the value of your gift to the Stout Foundation. Please check with your human resources office to learn if your employer offers this benefit.

Planned Giving

Estate and financial planning may make it possible for you to contribute a substantial gift to this institution. Bequests, life insurance policies, real estate, and appreciated securities are among the many options available. The development staff of the Stout Foundation will be pleased to assist you in determining the best option for you.

Memorial and Honorary Gifts

A memorial or honorary gift is a special way to recognize a loved one or a friend's life and accomplishments. The Stout Foundation offers opportunities for those who wish to establish a fund in honor of an individual or family name with a program of enduring worth, such as a named scholarship, professorship, endowed chair, research fund, or professional development fund.

The Malcolm Baldrige National Quality Award

UW-Stout became the first university to receive the prestigious Malcolm Baldrige National Quality Award. Announced in December 2001, Chancellor Charles W. Sorensen and Stout representatives met with President Bush on March 7, 2002 to receive the award.

"This award is among the highest levels of recognition any university in the country can achieve," said Chancellor Sorensen. "This is a marvelous tribute to our university and to our students, faculty, and staff. It is truly one of the greatest events in the history of this institution."

"President Bush and I congratulate the men and women who have won the 2001 Malcolm Baldrige National Quality Award," said Commerce Secretary Don Evans. "Through their passion for excellence and their commitment to employees, customers, students, stakeholders, and their communities, they have achieved extraordinary results. They represent the proud spirit of America and our strong resolve to excel."

Directory Information

The biographical information contained in this directory was compiled in the following manner:

a) University of Wisconsin-Stout provided the publisher with the most recent information contained in its files at the time the project commenced;

b) Publisher attempted to update the address and telephone number information through third-party research vendors with which it had executed confidentiality agreements; and

c) Publisher made every reasonable attempt to verify the biographical information with each individual directly via mail, e-mail, and/or telephone. Updates given by immediate family members may have been applied.

If attempts to verify the information directly with individuals were unsuccessful, the information originally provided by University of Wisconsin-Stout was utilized, with any address or telephone number updates obtained through research applied. We apologize in advance for any errors and omissions, and we urge you to send corrected information regarding your listing to:

Programmed Section

Alumni are listed alphabetically with the information below, when available. Alumni with name changes are cross-referenced by their student names.

- class years and degrees from University of Wisconsin-Stout
- degrees and names of other institutions attended
- title, employer name, address, and telephone number
- residence address and telephone number
- spouse's name (in italics)
- children's names
- e-mail address

Class Year Section

Alumni are listed by their student names under the class years for their first degrees received from University of Wisconsin-Stout. Following each name is a geographical cross-reference (as listed in the Geographical Section) which is either the standard U.S. postal abbreviation or country name for alumni with international addresses.

A single asterisk identifies alumni with unknown addresses; a double asterisk identifies alumni who are deceased.

Geographical Section

Alumni are listed under their residence addresses in the following order: state, U.S. military, U.S. possessions and territories, and outside the U.S. Following each name are class year and career networking code (in italics).

Career/Networking Section

Alumni are listed under their careers which appear in alphabetical order.
